

src/cetypes.h

```
graph BT; A[src/cestring.c] --> B[src/cetypes.h]; C[src/ceswap.c] --> B;
```

A diagram illustrating file dependencies. At the top is a gray rectangular box labeled 'src/cetypes.h'. Below it are two white rectangular boxes: 'src/cestring.c' on the left and 'src/ceswap.c' on the right. A blue arrow points from 'src/cestring.c' up to 'src/cetypes.h', and another blue arrow points from 'src/ceswap.c' up to 'src/cetypes.h'.
