

`ce_string_reverse`

```
graph LR; A[ce_string_reverse] --> B[ce_string_reverse_inrange]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray background and a black border, containing the text `ce_string_reverse`. The right box has a white background and a black border, containing the text `ce_string_reverse_inrange`. A blue arrow points from the right side of the left box to the left side of the right box.

`ce_string_reverse_inrange`
