

ce\_string\_tolower

```
graph LR; A[ce_string_tolower] --> B[ce_string_tolower_inrange]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray background and a black border, containing the text 'ce\_string\_tolower'. The right box has a white background and a black border, containing the text 'ce\_string\_tolower\_inrange'. A blue arrow points from the right side of the first box to the left side of the second box.
